

MaaT Pharma is a clinical-stage biotechnology company and industry leader in microbiome therapies in oncology, leveraging our whole ecosystem approach to develop biotherapies to treat serious diseases. We are implementing an innovative new medical approach focused on the gut microbiota as a source of drug candidates, leveraging our drug development expertise, our gutprint® computational biology platform and our biomanufacturing capabilities. Our pipeline consists of several drug candidates, the first of which is now in Phase 3 clinical testing.

We are driven by our pioneering spirit and are the first microbiome-derived drug development company listed in continental Europe, with an IPO on Euronext Paris in November 2021. We have a humanistic approach to our entrepreneurial adventure. Every recruitment is an opportunity to consolidate our rich and diverse human capital, which now exceeds more than 60 people.

Based at Lyon 7th, we are currently looking for new:

Quality Assurance Intern (M/F)

Position open to people with disabilities

Job Description

This Quality Assurance intern position is available on January 2025, for a period of 6 months. You will be reporting to the Quality Assurance Manager.

Responsibilities

- Supplier management :
 - Ensure the follow-up of audits;
 - Participate in the drafting and updating of supplier documents (quality contract, qualification, evaluation...);
- Monitoring of quality processes:
 - Actively participate in the follow-up of non-conformities;
 - Ensure the follow-up of complaints;
 - Ensure the follow-up of corrective and preventive actions;
- Quality process management:
 - Participate in the implementation of the electronic management of documentation and quality processes;
 - Participate in the updating of internal documentation (procedures, instructions, etc.).

This position is central to our activities, supporting the development of our drug candidates, and offers the chance to engage with a demanding yet exciting industry.

Qualification & Experience

- Bac +4 or Bac +5 in Quality Assurance or Pharmacy;
- A first experience in the pharmaceutical industry is a plus;
- Ability to work as part of a team and autonomy;
- Interest in the biotechnology sector, and more specifically in the field of microbiota;
- Good spoken and written English;
- Very good command of IT tools (Excel/PowerPoint/Word).

You are an excellent communicator, flexible, dynamic, proactive, rigorous, and a team player—all qualities essential for this exciting opportunity.

Working at MaaT Pharma means joining a friendly, stimulating environment filled with challenges, within a passionate team, offering opportunities to develop your skills and grow.

If you are motivated about joining a dynamic and a human-sized team in an entrepreneurial and innovative environment, we would love to hear from you. Apply now by sending your resume and cover letter to careers@maat-pharma.com.
